Why do you want a Border Collie?

What, in your opinion, makes a great dog?

Which of the following best describes the type of dog you are looking for? Feel free to elaborate!

_____ Companion: A couch potato. Content in simply being with the "boss" and occasionally playing
But also enjoys going for walks in the neighborhood or to the park.

_____ Active Pet: A dog satisfied with daily walks and retrieval games. Needs interaction and exercise, but not
necessarily formal training or competition

_____ Sport: Dog may need competition or formal training to challenge their higher drive and energy level.

_____ Working: Dog displays intense herding instinct and some talent, which may need to be channeled into stock
work or other intense, continuous activity.
